Dear Mr. Palan,

With reference to your letter of April 2 and July 1, 1986 inquiring FP activities in the Province of East Timor, on May 15, 1986 we requested the central NFPCB for the data. Today we just received the data (attached).

Since the Province of East Timor is the youngest one, complete data can be obtained through the government only.

Thanking you for your attention.

Best wishes.

Sincerely yours,

Abdullah Syarwani
